WEEKLY REPUBLICAN-1867.  
DAILY PUBLIC LEDGER-1892.

MAYSVILLE, KY., THURSDAY, MARCH 17, 1904.

ONE COPY-ONE CENT.

PURE PESSIMISM.

Women go to cooking clubs.  
And always hire a cook;  
People go to reading clubs.  
And never buy a book;  
Women go to sewing clubs.  
And never make a seam;  
People join the writing clubs.  
And never spell a name.  
People go to golfing clubs.  
And never find the tee;  
People lead in boating clubs.  
Who never see the sea;  
People join athletic clubs.  
And still their strength is weak;  
People in debating clubs  
Are seldom known to speak.  
People in amusement clubs  
Declare this life a bore;  
Those in peace-procuring clubs  
Are always out for gore;  
Those who fill the singing clubs  
Are institute of song—  
That's the look of all the clubs  
To one who can't belong.

—Judge.

Now that spring is about due and housecleaning time is here, how would it do in the general renovation to paint the face of the "Goddes of Liberty Enlightening the World" that adorns the Market Street Esplanade? It would not be amiss to have the water turned on in order that the old lady might take an occasional bath, for she now has an awful dirty and haggard appearance. It was erected as a fountain, then why not use it for the purpose it was intended?

## HOW THEY GROW!

The Order is growing!

## AFTER FIVE MONTHS

Child Coughed Up Cartridge Shell That Had Lodged in Throat

Some five months ago a four-year-old child of Rev. Mr. James, colored, of the county, swallowed an empty copper cartridge of the size of a 32 caliber revolver, lodging in the wind pipe.

The child was brought to the office of Dr. A. N. Ellis in this city, and that experienced surgeon and physician had charge of the case for several days endeavoring to expel or dislodge it.

The best that could be done under the circumstances—the parents were not willing for the child to undergo a surgical operation—was to relieve it of its suffering and cause it to breathe more freely; this it did.

The patient was taken home and its death looked for in a short space of time. Contrary to expectation it lingered on, coughing frequently and becoming emaciated and weak.

Some days ago it had a more severe coughing fit than usual, and while in one of these paroxysms dislodged the foreign substance and spit it out. The child is getting along nicely and soon will have recovered from the ill effects it underwent.

In many respects it is a wonderful case.

## SOCIAL EVENTS

Portsmouth Blade.

Mr. J. D. Bridges's annual banquet to the wholesale grocers of the city was an event of Monday evening at his home in West Sixth street. Sixteen fine looking gentlemen, including the general Mr. W. A. Murdoch of Ironton, surrounded a most beautifully appointed table. The center of attraction was a pyramid of lighted candles, revealing the secret of a birthday; we won't say how many candles towered in the pyramid, but the pleasure was great enough to celebrate any number of birthdays. The war element was represented in the ice cream, which was served in the form of Japanese men bearing the American Flag, but the Americans at the table turned traitors and gobbled up the Japs, which caused much merriment.

AUSTRALIA has more Churches per capita than any other country. This is the why, perhaps, that our friends the Australians are chasing Chicago's ELIJAH, Mr. Dowie, from pulpit to organ loft.

ISN'T it a remarkable spectacle that in this free country policemen have to protect men who are willing to work for the support of their wives and children? Are we to become a Nation of hoboes?

ANOTHER of Mr. BRISTOW's so-called "grafters" has been fined \$10,000 and assigned to a two years residence in Monndsville, W. Va.; but the lawyers claim to have unearthed a lot of evidence that will knock the "convictions" galley-west-and-crooked.

TENNESSEANS regard JACKSON's old home as a shrine; Ohioans do homage to McKinley's tomb, and other states revere the resting-places of the Presidents; and it has been asked why Kentuckians fail in their tributes to the grave of ZACHARY TAYLOR—a man who was a great soldier, a popular idol and the Chief Executive of the United States. The answer is easy. Neither Tennessee nor Ohio have made Patriotism subservient to Politics. It is a sad confession; but there's scarcely a doubt that a greater fund could be raised in Kentucky today to put a monument over some unscrupulous political partisan, than could be raised to erect a memorial to the only President whose home was in Kentucky and whose dust mingles with her soil.

W. H. RYDER,

It is an evidence of considerable industry when a Magistrate imposes a fine of \$1 and piles up a bill of \$10.55 in costs.

THE rascals are being uncovered. The Globe Printing Company of Louisville last year collected from the State Treasury \$28,000 for a job of school supplies that The Courier-Journal Job Printing Company says was worth only \$3,600, and which F. C. NUNE-MACHER offered to duplicate for \$2,800.

JUDGE H. C. TURLEY, Postmaster of Natchez under the McKinley Administration and a personal friend of the late Senator HANNA, resigned as Republican National Committeeman from Mississippi, and in a letter to The New York World thus explains his reasons:

NATCHEZ, Miss., February 29th.

To the Editor of The World: The views of the Administration and mine as to its Southern policies are so diametrically opposed, especially in its attitude toward the Republican party of Mississippi, that, not having the hardihood to ask for the resignation of the Administration, I tendered mine as National Committeeman.

The relations of the Southern wing of the party to the Administration are so anomalous as to be at least confusing to the average intellect. As we understand it, in Louisiana the Lily Whites are recognized, in Alabama the Black and Tans are countenanced. South Carolina, by way of recognition, is now again receiving a crumb from the White House table. In North Carolina race suicide is such that no matter how many children a Republican may have, "one must have had a grandfather to be qualified for suffrage." In Mississippi we have not only our friends, the Democrats, to contend with, but, like General LAWTON, we are being massacred by our friends in the rear.

The Republican Administration having established a Democratic protectorate and dictatorship over us, it is at least a logical inference that the Administration honestly believed there were no Republicans in this state of requisite integrity and capacity to conduct their own party affairs, and so was driven to the selecting of an honest, capable, Sound Money Democratic referee. Yet from that viewpoint we can't reconcile the subsequent appointment of a number of those unworthy Republicans to responsible positions where a high order of capacity and probity was requisite.

We argue that, being worthy of such positions, they must be capable and suitable to manage the state party independently of the counsel and directions of Democratic authority.

This experiment of the Administration is a dismal failure, but it seems impossible to impress conviction thereof.

H. C. TURLEY.

**Rheumatism Cured.**  
Mr. Michael Doran, Youngstown, Ohio, says:  
"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracampb to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracampb, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracampb is a blessing." Sincerely, MICHAEL DORAN.

**Paracampb.**  
Relieves Instantly Rheumatism, Sore Muscles, Sore Foot and Sore Joints.

Because when applied it opens the pores, allowing the camphor and healing oils to penetrate directly to the seat of the pain and draw out all fever, soreness and inflammation by causing copious sweating. MR. RICHARD BUHLER IN "PAUL REVERE."

Mr. Dave A. Weis's scenic spectacle "Paul Revere" in which Mr. Richard Buhler is starring is attracting no little attention for its superb mounting and efficient acoustic properties. As the poem of "Paul Revere" is destined to live forever in the world of literature, so is the play by the same name to be long remembered in theatricals. Little need by said respecting Mr. Buhler's personality and ability for his capable efforts in previous productions have characterized him as an actor of rare merit. The supporting cast is excellent and includes many actors of prominence. To give adequate scenic environments, a carload of scenery and two beautiful horses are carried, thus insuring a first class production. The date is Saturday, matinee and night, March 19th. ## SECRET SERVICE MAN IS ALWAYS AT HIS BEST.

Theodore E. Payne, Superintendent of the Great Bureau, Tells What He Owes to the Celebrated Nerve Vitalizer and Tonic.

## Paine's Celery Compound.

Philadelphia, February 20.  
"For anyone whose work requires excessive nerve power or nerve concentration I know of nothing better than Paine's Celery Compound. Any one compelled to devote long hours and close attention to details—when the work won't wait until one feels like working—will be greatly benefited by the use of Paine's Celery Compound. I have used it off and on for the past five or six years and always with beneficial results."—Theodore E. Payne, Superintendent Standard Secret Service Bureau.

### LEADER OF LABOR HAD COMMON SPRING SYMPTOMS.

"I want to recommend Paine's Celery Compound to all sufferers from liver trouble and its complications, biliousness, constipation, floating spots before the eyes—and dull thoughts. I suffered from these troubles every spring for a long time. I tried Paine's Celery Compound as a last resort, and I am now in perfect health."—Chas. T. Jones, Business Agent of Baggage and Parcel Delivery Drivers and Helpers' Union, Chicago.

### Overwork—Extreme Nervousness.

"For several years I suffered with extreme nervousness, due to overwork in my exacting duties as pressman, and could scarcely sleep at night. I was told of Paine's Celery Compound by a friend, and after taking one bottle received a great deal of benefit. I purchased another bottle and consider my nerves better than they have been for years. I cannot speak too highly of Paine's Celery Compound, and think it one of the world's greatest medicines."—J. E. Sather, 2360 16th Street, S., Minneapolis.

Learn how much better you can feel—Go to your Druggist Today—Get one bottle—Feel just ONCE that abundant new nerve force made by Paine's Celery Compound—You will NEVER AGAIN be contented with low spirits and poor health.

Supt. THEODORE E. PAYNE.  
For Nerve and Endurance the Noted Detective Genius on Paine's Celery Compound.

"Do Not Waste Time Drugging Symptoms. Cure the REAL CAUSE—the NERVES." Prof. E. E. Phelps, M. D., LL. D., of Dartmouth University, Discoverer of Paine's Celery Compound.

### GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition. If you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach, and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will insure your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25¢; regular bottles, 75¢. For sale by Henry W. Ray, Postoffice Drugstore.

"William H. Cox, one of the Republican Senators of this session, is from Mayfield, Ky."

"Mr. Cox was born in 1856, has been in the drygoods business for thirty-three years, and held the office of Mayor and Councilman of his town for many terms."

"Was a Delegate to the Republican Convention at Minneapolis, Minn., in 1892, and was one of the 425 that met in Market Hall of that city and pledged to Harrison for President, and was after selected the Kentucky Republican to notify Harrison of his nomination."

"Was tendered nomination for Congress in 1888 and 1898 and refused."

"Was elected State Senator in 1899 and re-elected in 1903."

"Introduced the first bill appropriating \$100,000 for World's Fair, and carried it through the Senate and lost by four votes in the House, and again introduced the bill in 1901."

"He is a member of the Kentucky World's Fair Commission, and is a Knight Templar and an Oddfellow."

One of the most remarkable cases of a cold deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenier, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. ### ADMITS HE IS A FAKE

Maysville Boy Arrested at Bucyrus, Ohio, While Begging

Charles Millard, aged 12, was taken up by the Police at Bucyrus, Ohio, Tuesday while begging, on the pretense that he had a crippled hand.

### Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McElroy, 59 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

# READ IT THROUGH.

Twoold Spill This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "old time tale." Having happened in small Virginia town in the winter of 1802, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.
